Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen. The card should be face-up with the arrow pointing left. Push the card firmly in until it clicks.
2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability. To begin voting, **touch** the "Next" button on the screen. You will use the "Next" button to see each ballot page until you reach the end of the ballot.
3. Touch the box on the screen next to your choice. An "X" will appear designating your selection. To change or cancel your selection, touch the box again and make another selection.
4. You may vote a straight party ticket by selecting your choice in the Straight Party Office Box located at the top of the left column on ballot page 1. To vote a split ticket after you have cast a straight party ballot, touch the box of the candidate of the opposite party for whom you wish to vote. You will notice that all other previous votes cast for

candidates in that office box will be canceled. Should you wish to cast your vote for any of your original choices, you will need to touch the box next to their name.

5. If you would like to write-in a candidate, select "Write In" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write In." The normal voting screen will return and the name you entered will appear as the choice for that particular race.

6. On the Summary Page, review your choices. Touch "Back" to review previous pages. Items in red are races that were left blank or incomplete. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

7. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

8. You have completed the electronic touch screen voting process. Remove your voter access card and return it to the poll worker.
